Members of the Belknap County Delegation consisting of Chairman Charles A. Rollins, George W. Tarlson, Alfred L. Guay, Elmer S. Tilton, Joseph H. Roucher, Howard K. Ballou, Harry J. Rivers, Clarence E. Greene, J. Frank Neal, Nathan T. Morse and Joseph W. Smith met at 1:30 P. M. Thursday, Oct. 19, 1939 for the purpose of inspecting eighty and one-half acres of land on Rowe Mountain adjacent to the land of the Belknap County Recreation Area.

This land is owned by Mrs. Lena Weeks of Gilford, N. H., who offers to sell to Belknap County for eight hundred dollars ($800.00).

The delegation were shown the above mentioned land by Commissioners Joseph F. Smith and Oliver Colby.

The members of the delegation then proceeded to the office of the County Commissioners in Laconia where Chairman Rollins explained that the meeting had been called for three specific reasons: First, to see what action the delegation would take in regard to the purchase of the land on Rowe Mountain; Second, the fire hazard account of slash from the blown down lumber caused by the hurricane of a year ago; Third, to see what action might be taken in regard to the water supply for Belknap County Farm.

Mr. Ballou suggested that the members of the delegation each send a post card to David O'Shan who is

ill in the Naval Hospital at Portsmouth, N. H. Mr. Ballou then moved, seconded by Elmer Tilton, that the delegation draft and send Mr. O'Shan resolutions expressing the sympathy of the delegation for his sickness. The vote in the affirmative was unanimous. Chairman Rollins appointed Mr. Ballou to draft these resolutions and forward to Mr. O'Shan.

County Commissioner Carroll then introduced Messers Melvin and Clow. Mr. Melvin then spoke of the conditions at the Airport and suggested enlargement of the airport. Commissioner Carroll then inquired of Supt. of the County Farm how much land was available for such an enlargement who advised that six acres could be spared. Further remarks regarding the airport were made by Commissioner J. F. Smith.

It was then moved by Rivers, seconded by Ballou, that the land on Rowe Mountain adjacent to the Belknap area owned by Mrs. Lena Weeks be purchased and that the Belknap County Commissioners be authorized to purchase the same. The vote was in the affirmative.

Chairman Rollins then took up the question of water supply for the County Farm. Mr. Ballou explained about the costs of the present supply, also the cost of the hydrants. Mr. Carroll then introduced Mr. Bowler of a Well Drilling Co., who estimated the cost of this whole system installed would amount to five or six thousand dollars. Remarks were then made by Mr. Sanborn, supt. of the County Farm, stating that more or less leakage had been found and corrected. Mr. Bowler was then questioned regarding his system by Mr. Ballou and others. It was moved by Ballou, seconded by Elmer Tilton that Mr. Bowler be asked to furnish an estimate of the cost of a water system on a rental basis and furnish the same to the Committee, also the County Commissioners, the vote was in the affirmative.

The question of fire hazard was then taken up. Mr. Morse then spoke of the fire hazard caused by fallen timber on the County Farm lot expressing it as a "terrible fire hazard." Mr. Rivers suggested getting bids for the getting off of the down lumber and of cleaning up the slash. Chairman Rollins spoke of the value of down lumber as being very small, he was not however in favor of disposing of any standing lumber at the present prices. Commissioner Colby was asked his opinion by Mr. Rivers, who was in favor of cleaning up the slash and to leave the standing lumber. County Commissioner Smith spoke on conditions as he sees them in regard to the lumber in the "lower pasture" that owing to the condition and age that this lumber should be sold, the remainder on other lots should be held.

Supt. Sanborn then expressed the idea that another hard wind might blow down the remaining standing lumber.

Elmer Tilton moved, seconded by Ballou, that the matter of the timber on the County Farm be left to the committee to investigate at the County Farm consisting of Morse, Rivers and Price with Chairman Rollins ex-o cio, together with the County Commissioners. The vote was in the affirmative.

Mr. Greene brought up the question of the lighting at the sewing project as being inadequate. Commissioners Smith and Colby spoke on the subject both agreeing with Mr. Greene. COMMISSIONERS' REPORT

To the Citizens of Belknap County:

In compliance with the laws of the State of New Hampshire, the Commissioners of Belknap County herewith present the annual report of Commissioners, the Treasurer, Supt. of Farm and House of Correction, Clerk of Superior Court, Sheriff, Farm Physician, Chaplain and Auditors for the year ending December 31, 1939.

There has been only two major changes in the official family since the present board of commissioners took office on April 1st last. Mrs. Edna Shortle who has for 2½ years been in charge of the Commissioners' office at the Court House has accepted a position with the Melcher & Prescott Agency of Laconia. On August 1 1939, Mr. and Mrs. Hartford gave notice of their intention to leave their duties which they had filled for the past eight years.

The commissioners were immediately besieged on all sides by applicants from residents of the county, state and even from Massachusetts.

The position was offered to Mr. and Mrs. Oscar Hoyt but was declined because of ill health.

After careful consideration Mr. Ned D. Sanborn and Mrs. Susan J. Sanborn were chosen as Supt. and Matron, and assumed their new duties on August 21, 1939.

Shortly Mr. Sanborn expressed a desire to more fully utilize the farm and herd products, and with that end in view a new mechanical refrigerating unit was installed in the present coolers, together with new insulation of doors, etc.

This change and increase of storage capacity makes it possible to kill and use home-grown beef and pork

as well as reducing waste from spoiling under the old ice system.

The milk-room wing at the barn has been finished and a sterilizer for utensils installed, together with a mechanical cooler.

The overhead track from the cow barn to manure shed has been installed with connecting roof and shelter.

Mrs. Sanborn is in the process of refinishing and modernizing the kitchens.

A modern bull pen has been built. The north end of the horse barn was badly in need of paint, and has been painted.

A time water meter was attached near the entrance and a major leak was located and corrected with substantial saving for the future.

Agreement was reached whereby the North-South and part of the East-West airport is to be plowed and re-seeded half each year to the betterment of the runway and substantial gain to the farm in crops.

All of these changes and additions have been made without additional appropriations, and there is an unexpended balance of $792.90.

Hurricane timber has been salvaged as far as practical, and sold to the Government or used at the Area.

Work at the Belknap Mts. Recreation Area has continued slowly but satisfactorily. W. P. A. regulations prescribed a thirty day layoff for all who had worked eighteen consecutive months, and during the months of September and October progress was nearly at a standstill. The time lost when the weather was favorable has delayed the Recreational Building.

The commissioners recommended the purchase of additional land at the top of the chair tow and along the crest of Mt. Rowe for protection of county interests and to allow the building of an observation platform from which the view rivals Mt. Belknap. The delegation authorized the purchase at a cost of $750.00.

A road has been built from the Recreational Building around the proposed swimming pool to connect with the entrance road near the parking lanes, and it is hoped that this will answer the traffic troubles which has at times been acute.

Last winter's experience proved that the Phelps rope tow was underpowered, and a new 30-horse-power motor has been installed.

Fire damage at the summit house of the chair tow has been temporarily repaired and the tow is now in use without great loss of revenue. $4,837.73 remained from the area appropriation.

Receipts from the Rowe Mt. chair tow and the Phelps rope tow have proved sufficient to warrant the installation of a 1750 ft. rope tow on Cobble Mt., the skiing area of which has not been fully completed.

In the Register of Deeds office, 6 books of indexes to deeds for the years 1841 to 1896 are being re-copied by Miss Rita Eldredge who is doing a very fine piece of work. This work was started in July and is about 2-3 complete. The total expense so far is $369.56, and $230.44 is estimated to complete it. Miss Elizabeth Sanborn and Miss Emily Lord are checking the work at no expense to the county.

Under the supervision of Mrs. Helen D. Hayner, the Recopying Records Project has completed the following:

9375 Deeds copied resulted 2395 pages manuscript.
27,600 Grantor & Grantee cards made and checked.
67,315 cards sorted for typing.

53,760 cards typed into manuscript.

51,900 cards edited resulted in 1890 pages manuscript.

Under the able direction of Mrs. Nellie Tetley of Laconia, and Miss Gladys Lund of Meredith, the sewing projects have produced 10,488 pieces of clothing at a cost to the county of $1,735.01.

Federal regulations increase the sponsors contributions 100% for 1940 and at present the Commissioners have no recommendation to make.

It is likely that the present form of Surplus Commodities distribution will be replaced by the food stamp plan in which each grocer sells on the surplus list and is paid direct by the Government. This system is in use in western districts and seems to answer most of the criticism of the present system.

During the year, because of the five year settlement law a total of 36 cases have been turned over to the County.

Laconia 29	Gilford 1
Alton 2	New Hampton 1
Belmont 1	Tilton 2

In spite of this fact there remains an unexpended balance of $42,065.74 on poor relief off farm.

Careful administration and a decided upturn in business have enabled the Commissioners to start the new year with a cash balance of $60,570.29 which will allow a tax assessment for 1940 of approximately one-half of that for 1939.

The Commissioners wish to thank Mr. and Mrs. Hartford and Mr. and Mrs. Sanborn for their untiring efforts in making a pleasant home for those residing at the farm; Mr. Fitzpatric for his constant aid and thoughtfulness for the spiritual welfare of our people;

and town and county officers and all others who have given assistance in carrying on the work of the County.

The Commissioners extend to the people of Belknap County and to the public in general an invitation to visit and inspect the Belknap County Farm and the Belknap Mts. Recreation Area.

Respectfully submitted,

CHARLES E. CARROLL
OLIVER M. COLBY
JOSEPH F. SMITH
County Commissioners

We hereby certify that we have carefully examined the accounts of the County Commissioners, Commissioner-Treasurer, and cash account of the Superintendent of the County Farm for the three months ending March 31, 1939; that said accounts are properly kept, correct and well vouched; that the sums charged therein for articles purchased appear to be according to the market value and price, according to the best of our information, knowledge and belief; that all such articles have been used for the benefit of the county; and that the charges for expense of the County Commissioners appear reasonable.

The County Commissioners have furnished us a sworn statement showing that there are no bills outstanding against the County, except for amounts due in the several towns for aid rendered to paupers and soldiers and their families, bills that have been contracted at the County Farm since the last settlement, court orders and expenses, the amounts of which are unknown to them, bonds to the amount of $217,000.00 short term notes No. 222-225 Inc., amounting to $120,000.00 to cover deficit for 1938, temporary loans in anticipation of taxes amounting to $100,000.00, and bill from Church Mission of Help for board and care of Abigail Drouin Dec. 1938 to Feb. 15, 1939, $45.00 which is pending authorization from State Department of Public Welfare.

To the Honorable Board of Commissioners of Belknap County

Gentlemen:

We hereby submit our report for the part of the year ending December 31, 1939 as was our duty to serve Belknap County Almshouse, House of Correction and Jail. We are trying to execute our efforts to the benefit of the Taxpayers of Belknap County and the needs of those intrusted to our care and judgment. We sincerely thank the merchants for their cooperation in our efforts to keep the necessary expenses down as closely as possible.

We thank the chaplain, Rev. Frederic W. Fitzpatric for his interest and kindness, also the pleasure he and his fine group of singers bring to the inmates.

We are grateful to Dr. L. R. Brown for his interest and advice in trying to keep those in our care in as good health as possible. Also to all those who gave so generously toward the Christmas fund to help make last Christmas as happy as possible for each member of the Belknap County Farm.

We owe a great deal of gratitude to our staff of workers in their interest and efforts to aid us in the discharge of our duties, without which we could not hope to be successful.

We sincerely thank our Honorable Board of County Commissioners in the very pleasant and kind manner they advise and co-operate with us. We hope we will be able to carry on to their pleasure and satisfaction, also for the taxpayers.

REPORT OF COUNTY SOLICITOR

Belknap County Commissioners
Laconia, New Hampshire

Gentlemen:

The substantial saving made by you in County expenditures during the past year is certainly gratifying to me, and your good work should be lauded by every tax minded citizen.

I have endeavored during the past year to keep the expenses of my department of the County Government as low as possible. The proper detection and punishment of crime necessarily costs money and cannot be successfully carried on without proper financial support, but I have found that there are many ways to cut these expenditures to a minimum and this has been my policy since my election to office.

All criminal matters, as well as civil matters relative to the County Government have received my proper attention.

There is only one civil case now pending. This is an action brought by Belknap County against Carroll County to determine liability for the support of a poor family. The case is in process of transfer to the Supreme Court and should be in order for hearing within a few weeks.

I am always glad to render all assistance possible to you as Commissioners or to any other person in matters involving County Government or violations of the criminal laws.

Yours truly,

HAROLD E. WESCOTT

County Solicitor

CHAPLAIN'S REPORT

Belmont, N. H.
January 13, 1940

Belknap County Commissioners
Court House
Laconia, New Hampshire

Gentlemen:

I am submitting to you my eighth annual report as your Chaplain of the Belknap County Farm. I am very glad to report that the past year has been one of the best in the several years which I have served as Chaplain. As usual, it has been rather difficult to get the hoped for results among the inmates of the Jail and the House of Correction, but I do feel that in spite of the lack of tangible evidence, or any great expression of appreciation upon the part of the inmates, that some good results have been attained.

I have endeavored to present programs at each of our monthly meetings which would not only be of spiritual value, but be entertaining as well. Our visitation at Christmas time seemed to be greatly enjoyed, not only by the people at the Farm, but also the men in the House of Correction, and in the Jail. Several of the men joined in the singing of Christmas carols, and were willing that prayer should be offered. I presented to all at the Farm a Christmas card with my best wishes.

I feel very grateful to you, as Commissioners, for your sympathetic co-operation in the work which I have endeavored to do. I feel that you have been most fortunate in the securing of Superintendent and Mrs. Sanborn, who are so ably carrying on the work which Mr. and Mrs. W. J. Hartford so painstakingly did. I am very sure that we all realize that the problem of car-

ing for the poor of our county is one which taxes the wisdom, ability, and sympathy of those who have the work in charge.

I find myself burdened mentally because of the fact that it still seems to be necessary to house the needy boys and girls of the county, among the older men and women, and, in spite of all the watchcare that those in charge of the work may exercise, these boys and girls are bound to see, hear and learn many evil things. I trust and pray that in the very near future that this harmful situation may be remedied.

During the year we have had several deaths, and about the usual amount of sickness. Many of the cases are extremely sad and pathetic. Many times there will be no one at a funeral except the funeral director, and Superintendent and Mrs. Sanborn and myself.

I want to express my grateful appreciation to the different groups who have, during the year, helped to bring cheer to the inmates of the Farm. I want to thank the members of the Women's Christian Temperance Union for their visitation on Flower Day, and to the Girl Scouts of Laconia who sang Christmas carols and brought gifts. I am sure that I express the sentiments of the members of the Board of Commissioners, Superintendent and Mrs. Sanborn, over the fine free-will offering, which was given at Christmas time by the citizens of Laconia, so that gifts could be purchased for the inmates, thus making it a Christmas long to be remembered. For a number of years now, a Christmas tree and entertainment has been provided for all at the Farm.

This year I have been asked by you, as County Commissioners, to cover the need for spiritual help among the poor of Belknap County. No fee is received for my

services at funerals, or my work among the needy poor. As Chaplain, I hold myself in readiness to answer any call, day or night, among the County poor.

Trusting that the blessing of God may rest upon you as Commissioners, and all the interests of our fine County, I am

Sincerely yours,

FREDERICK W. FITZPATRIC, Chaplain
